Dear David,

The 5th International Meeting of SOD will be held in Jerusalem from 19 - 24 September, 1989.

I am enclosing the first circular, indicating the various subjects of the sessions and meetings, as well as the international program committee.

We have already received 200 applications from all over the world.

I would appreciate very much if the Council of Tobacco Reasearch would support this meeting with the sum of $2,500.

Yours truly,

Gidon Czapski
Chairman of SOD V

11/8/88 - D.S. would approve.
11/9/88 approved. J.T.G.
